Parent's Name

Your child has been referred to the Early Development Network (EDN). The _____ Public School proposes to conduct a multidisciplinary evaluation of your child to determine eligibility for Early Development Network services.

The district proposes to evaluate your child because:	The multidisciplinary evaluation process must be completed within 45 calendar days from the time the referral was received by the Early Development Network. If exceptional family circumstances exist, the evaluation and assessment process may be delayed.
---	---

Following is a description of the components of the multidisciplinary evaluation which the district proposes to conduct.

	Multidisciplinary Evaluation Description
Adaptive Development	
Cognitive	
Physical Development (including vision and hearing)	
Social and Emotional Development	
Speech and Language Development	
Other	

If your child is determined eligible for EDN services, a child assessment will be conducted to identify your child's unique strengths and needs in all areas of development and the early intervention services appropriate to meet those needs. Consent is required prior to completing your child's assessment. The assessment of your child must include:

- a. a review of the results of the evaluation, if conducted;
- b. observations of your child; and
- c. the identification of your child's needs in each of the developmental areas within the context of your family's routines and activities.
