Family Choice: Consent to the continuation of early intervention services or initiation of special education services

I/we have received a copy of the Annual Transition Notice.

I/We have been informed about the differences between, and the right to choose, early intervention services provided through an IFSP under the Individuals with Disabilities Education Act (IDEA) and the preschool special education services provided through an Individualized Education Program (IEP) under IDEA once my/our child reaches age 3 .

I/We understand that if I/we choose for my/our child to receive special education services through an IEP, my child and family will no longer receive early intervention services nor will receive early intervention services coordination.

I/We understand that if I/we choose for my/our child to continue to receive early intervention services through an IFSP, at any time I/we may elect to receive special education preschool services instead of early intervention services.

I/We understand that my/our consent to the continuation of early intervention services is voluntary and that I/we may revoke consent at any time

- ☐ I/we consent to the continuation of early intervention services for my/our child and family through an IFSP after my/our child's third birthday.
- ☐ I/We request initiation of preschool special education services for my/our child and family at or after age 3.
